### **MANAGEMENT DISCUSSION AND ANALYSIS REPORT**

#### **BACKGROUND**

Your company is engaged mainly in the business of investing in shares and offering loans. Yours company is a Non-Systematically Important Non-Deposit taking NBFC i.e. Non-Deposit taking NBFC with assets less than Rs.100 Crores.

#### **MACRO - ECONOMIC SCENARIO**

India has positioned itself as the most dynamic emerging economy among the largest countries and is expected to remain the fastest growing on the back of robust private consumption and significant domestic reforms gradually being implemented by the government. Two major events dominated the India's economic landscape in fiscal 2016, first; passing of the long impending Goods and Services Tax (GST) bill, second and the most unexpected; demonetization of high currency notes. India is expected to record a GDP growth in the range of 6.75 to 7.5% in FY 2018. Growth numbers will be largely consumption driven as investment is expected to be a drag.

#### **INDUSTRY OUTLOOK**

The NBFC sector assumes a critical role in financial inclusion as it caters to a wide range of financial activities. NBFCs are expected to play a crucial role in fostering inclusive growth, especially in sectors like MSMEs, Retail and SME. The asset side of NBFCs continued to register significant growth. During the period from March 2006 to March 2016, NBFCs (including HFCs) have grown at a CAGR of 20% while banks have grown at CAGR of 16% and NBFCs' share of credit growth in India vis-à-vis banks has also expanded from 16% to 21%. This growth has been achieved in a sustainable and profitable manner. While banks witnessed subdued credit growth in sectors constrained by asset quality stress, NBFCs did well. The accelerated growth in credit deployment by NBFCs was due to their ability to contain risks, better product lines, lower cost, tap demand in niche markets, good TAT and better understanding of their customer segments. The profitability of NBFCs was significantly higher as compared to commercial banks. However, the NPAs of NBFCs remained relatively lower than the NPAs of the banking sector.

#### **OPPORTUNITIES AND THREATS**

The economy is undergoing a paradigm shift as a result of a number of initiatives. In the financial space, the introduction of Aadhaar Card based identification and e-KYC, amongst others, will go a long way towards augmenting financial inclusion and enabling financiers to tap the vast segment of under-served individuals whose credit needs grow with their aspirations and income levels. With more consumers and entrepreneurs showing their true income on the books of accounts it will now be easier to evaluate creditworthiness. Further, we can be a perfect supplement in the new cashless payments ecosystem that the government has envisaged with the demonetization drive.

#### **RISK & CONCERNS**

The Company's risk philosophy involves developing and maintaining a healthy portfolio within its risk appetite and the regulatory framework. While it is exposed to various types of risks, the most important among them are credit risk, market risk (which includes liquidity risk and price risk) and operational risk. The measurement, monitoring and management of risks remain a key focus area for the Company. Company's risk management strategy is based on a clear understanding of various risks, disciplined risk assessment and measurement procedures and continuous monitoring. The policies and procedures established for this purpose are continuously benchmarked against best practices in the market.

#### **ADEQUACY OF INTERNAL CONTROL**

**Annexure B to the Independent Auditor's Report**

---

The Annexure referred to in paragraph 2(f) under the 'Report on Other Legal and Regulatory Requirements' my report to the members of Brilliant Portfolios Limited, ('the Company') for the year ended on March 31, 2017.

**Report on the Internal Financial Controls under Clause (i) of Sub-Section 3 of Section 143 of the Act**

I have audited the internal financial controls over financial reporting of **Brilliant Portfolios Limited** ("the Company") as of March 31, 2017 in conjunction with my audit of the financial statements of the Company for the year ended on that date.

**Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities includes design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of business, including adherence to Company's policies, the safeguarding of the assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

**Auditors' Responsibility**

My responsibility is to express an opinion on Company's internal financial controls over financial reporting based on my audit. I conducted my audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting ('the Guidance Note') and the Standards on Auditing deemed to be prescribed under Section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and Guidance note require that I comply with ethical requirements and plan and perform audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

My audit involves performing procedure to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. My audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal controls based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion on the Company's internal financial controls system over financial reporting.

**Meaning of Internal Financial Controls over Financial Reporting**

A Company's internal financial control over financial reporting is a process designed to provide a reasonable assurance regarding the reliability of financial reporting and preparation of financial statements for external purpose in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that:

1. Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
2. Provide reasonable assurance that the transactions are recorded as necessary to permit preparation of financial statements in accordance with the generally accepted accounting principles, and that receipts

## **BRILLIANT PORTFOLIOS LIMITED**

and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and

3. Provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

### **Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial control over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate.

### **Opinion**

In my opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

## **BRILLIANT PORTFOLIOS LIMITED**

### **Notes to accounts for the year ended March 31, 2017**

#### **NOTE NO - 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

##### **1) Basis of Preparation of Financial Statements**

The financial statements of the company have been prepared in accordance with generally accepted accounting principles in India (Indian GAAP) to comply with the accounting standards specified under section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014 and the relevant provisions of the Companies Act, 2013 and guidelines issued by the Reserve Bank of India ('RBI') as applicable to a Non Banking Finance Company. The financial statements have been prepared on an accrual basis and under the historical cost convention.

The accounting policies adopted in the preparation of financial statements are consistent with those of previous year

##### **2) Use of Estimates**

The preparation of financial statements in conformity with Indian GAAP requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenue, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

##### **3) Revenue Recognition**

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the company and the revenue can be reliably measured. The following specific recognition criteria are met before revenue is recognized:

###### **(a) Sale of Traded Goods**

Sale of Traded Goods Revenue from sale of traded goods is recognized when all the significant risks and rewards of ownership of the traded goods have been passed to the buyer.

###### **(b) Income from Consultancy service**

Income from consultancy service are accounted for as and when the relevant services are rendered and revenue is recognized using completed service contract method except where the recovery is uncertain in which case it is accounted for on receipt.

###### **(c) Interest**

Interest income is recognized on a time proportion basis taking into account the amount outstanding and the applicable interest rate. Further, in accordance with the guidelines issued by the Reserve Bank of India for Non-Banking Finance Companies, income on business assets classified as Non-performing Assets, is also recognized on receipt basis.

##### **4) Inventories**

The inventories held as stock-in-trade under current assets are valued at lower of cost or market value.

##### **5) Cash and Cash Equivalents**

## **BRILLIANT PORTFOLIOS LIMITED**

Cash and Cash Equivalents for the purposes of cash flow statement comprise cash at bank and in hand and short term investments with an original maturity of three months or less, as per Accounting Standard 3 “Cash Flows”.

### **6) Tangible Fixed Assets**

Tangible Fixed Assets are stated at cost less accumulated depreciation and impairment losses, if any. The cost of fixed assets comprises purchase price and any attributable cost of bringing the asset to its working condition for its intended use.

### **7) Depreciation on Tangible Fixed Assets.**

The Company has worked depreciation with reference to the Useful life of Fixed Assets prescribed by the PART C of Schedule II to the Act. The carrying values have been depreciated over the remaining useful life of the Asset using Written Down Value Method and the same is recognized in the Statement of Profit and Loss.

### **8) Employee Benefits**

Provident fund is accounted for on actual basis.

### **9) Earnings Per Share**

The Company reports basic and diluted earnings per share in accordance with Accounting Standard 20 – Earning per Share. Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting preference dividends and attributable taxes) by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

### **10) Taxes on Income**

Income tax expenses comprises of current tax (i.e. amount of tax for the period determined in accordance with the income-tax law) & the deferred tax charge or benefit (reflecting the tax effect of timing differences between accounting income and taxable income for the period).

The deferred tax charge or benefit and the corresponding deferred tax liabilities and assets are recognized using the tax rates that have been enacted or substantially enacted as at the balance sheet date. Deferred tax assets are recognized only to the extent there is reasonable certainty that the asset can be realized in future; however, where there is unabsorbed depreciation or carried forward loss under taxation laws, deferred tax assets are recognized only if there is a virtual certainty of realization of the assets. Deferred tax assets are reviewed as at each balance sheet date and written down or written up to reflect the amount that is reasonable/virtually certain (as the case may be) to be realized.

### **11) Provisions**

The company creates a provision when there is present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amounts of the obligation. Provisions are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates. If it is no longer probable that the outflow of resources would be required to settle the obligation, the provision is reversed.

### **12) Contingent Liabilities / Assets**

## BRILLIANT PORTFOLIOS LIMITED

A contingent liabilities is a possible obligation that arise from past events whose existence will be confirmed by the occurrence or non occurrence of one or more uncertain future events beyond the control of the company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The company does not recognize a contingent liability but discloses its existence in the financial statements.

Contingent assets are not recognized in the financial statements. However contingent assets are assessed continually and if it is virtually certain that an economic benefit will rise, asset and related income are recognized in the period in which the change occurs.
